A HAPPY & FRUITFUL NEW YEAR!!!

Happy 2025. We wish you guys a year filled with so much joy, success, and countless blessings. We hope this year is already off to a delicious star. Hope you had an incredible festive season.

We were surrounded by beautiful fairy lights and Christmas trees, giving us that much needed festive cheer. Basically, we jingled all the way. Hope you did too. We were able to spend some time at the beach and see some family and friends.

We had beautiful foodie experiences, including a food tasting at Alta Gracia in Boksburg. It was themed The Art of Dining - an extraordinary afternoon where culinary mastery meets artistic expression.

Every dish told a story, the food was incredibly flavourful, and every moment a masterpiece. The menu was filled with vibrant flavours, creative presentations and a touch of It was a beautiful afternoon where art met cuisine. The perfect fusion of food and creativity.
